Dear Chairman Simpson and Ranking Member Pingree:

I am requesting funding for Carmichael Water District's Ranney Collector Well Screens Replacement project in fiscal year 2026.

The entity to receive the funding for this project is Carmichael Water District and the project is located at 7837 Fair Oaks Blvd, Carmichael, CA 95608.

The funding would be used to upgrade outdated collector screens to improve water reliability and increase the supply of groundwater in the service area for 86,000 people. The project is an appropriate use of taxpayer funds because the collector screen replacement project will allow for continued water service.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Ami Bera".
