The Honorable Tom Cole
Chair
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Capital Southeast Connector - D2a Douglas to White Rock Road project in fiscal year 2025. The entity to receive funding for this project is the Elk Grove-Rancho Cordova- El Dorado Connector Authority located at 10640 Mather Blvd, Mather, CA 95655.

The funding would be used for the reconstruction of 2.6 miles of existing Grant Line Road into a four-lane complete street corridor with a separated Class I bike path. The project is an appropriate use of taxpayer funds because the funding would address critical safety issues on the current two-lane roadway and close an active transportation gap by connecting existing bike and pedestrian facilities at each end of the project.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(1)(A).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
