The Honorable Tom Cole
Chair
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Marysville Boulevard Vision Zero Project in fiscal year 2025. The entity to receive funding for this project is the City of Sacramento located at 915 I Street, Sacramento, CA 95814.

The funding would be used for the preliminary engineering and environmental review for a critical road safety project to reduce traffic fatalities and improve active transportation opportunities. The project is an appropriate use of taxpayer funds because it would improve safety along one of Sacramento's top 5 corridors with the highest number of severe and fatal crashes involving people walking, bicycling and driving. The project would also support equitable transportation access in an under-resourced neighborhood.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133 (b)(1)(A).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
