March 20, 2026

Dear Chairman Cole and Ranking Member DeLauro:

“I am requesting funding for Citrus Heights Water District Water Main Replacement Program in Fiscal Year 2027. The entity to receive funding for this project is Citrus Heights Water District, located at Citrus Heights Water District 6230 Sylvan Rd. Citrus Heights, CA 95610. The funding would be used for construction of two projects within its Water Main Replacement Program to ensure the continuity of reliable, clean water for about 70,000 customers via more than 20,000 service connections within the regional service area . The project is an appropriate use of taxpayer funds because the district owns more than 250 miles of pipeline that was largely installed between the early 1960s to 1980s, and much of this aging water infrastructure is nearing the end of its useful life. These projects will replace and upsize mains to meet current infrastructure standards utilizing a data-informed approach to mitigate risk and address greatest needs.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in blue ink that reads "Ami Bera".

Member of Congress
