Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Improve Your Tomorrow College Success Center in Fiscal Year 2027. The entity to receive funding for this project is University of California, Davis, located at One Shields Avenue, Davis, CA 95616-8558.

The funding would be used for supporting the final development and launch of the College Success Center, a 15,000-square-foot youth and community facility. Once open, the center will expand access to college and career pathways for students in some of Sacramento's most underserved neighborhoods. The project is an appropriate use of taxpayer funds because the center will serve students and families across California's 6th Congressional District by providing mentoring, academic support, college advising, and workforce development programming. This investment will help strengthen the region's future workforce while providing a safe and supportive space for students and families to access educational and career opportunities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ami Bera".
