Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Rossmoor Bar Trail Enhancements Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Rancho Cordova, located at 2729 Prospect Park Drive, Rancho Cordova, CA 95670.

The funding would be used for construction of durable trails that increase accessibility of accommodations to the public, create educational tools and signage, and plant native foliage for conservation efforts in a disadvantaged community.

The project is an appropriate use of taxpayer funds because This project will improve approximately 10.5 miles of existing informal "social trails" within the disadvantaged community area of the American River Parkway by converting them into durable, accessible, and safe walking paths with added vegetation, educational signage, and habitat restoration.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ami Bera".
