Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sunrise Boulevard Infrastructure Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Citrus Heights, located at 6360 Fountain Square Drive Citrus Heights CA 95621.

The funding would be used for intersection improvement, which includes the construction of a new fully signalized intersection designed to modern multimodal standards and planned bus rapid transit, and lighting enhancement, which will upgrade an aging median lighting infrastructure with state-of-the-art, energy-efficient LED programmable lighting. The project is an appropriate use of taxpayer funds because both facets of this project will modernize this critical corridor, enhance public safety, and complement regional investment in the Sunrise Tomorrow reimagining project.

The project has a federal nexus because the funding provided is for purposes authorized by Chapter 53 of Title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ami Bera".
