Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Bohemian Park Community Center – Resilience Wing project in Fiscal Year 2026. The entity to receive funding for this project is Fulton-El Camino Recreation and Park District, located at 3131 Wright Street, Sacramento, CA 95821.

The funding would be used for complete the Resilience Wing addition to the Bohemian Park Community Center at 3131 Wright Street, Sacramento, CA.

The project is an appropriate use of taxpayer funds because this 2,500-square-foot wing will provide vital community resilience features—including large gathering space, emergency housing, battery storage, clean energy infrastructure, and classrooms for workforce training and multilingual education—serving a diverse, underserved population heavily impacted by economic challenges, high unemployment, and recent Afghan refugee resettlement.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
