Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Garfield Ave. Transmission Pipeline Replacement project in fiscal year 2024.

The entity to receive funding for this project is Carmichael Water District and the project is located at Garfield Avenue, Carmichael, CA 95608. The funding would be used for replacement of a critical water transmission pipeline and the project is an appropriate use of taxpayer funds because this project would improve water delivery reliability and prevent contamination by replacing an aging pipeline with a new one that can handle a higher volume of water at higher pressures.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
