Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Marysville Boulevard Vision Zero Safety Project in Fiscal Year 2026.

The entity to receive funding for this project is City of Sacramento, located at Marysville Boulevard, between Arcade Boulevard to North Avenue, Sacramento, CA 95838 & 95815.

The funding would be used for construction of Vision Zero safety improvements along Marysville Boulevard, a critical corridor in a disadvantaged community of Sacramento. The project is an appropriate use of taxpayer funds because upgrades address longstanding transportation safety challenges and will reduce the high number of severe and fatal crashes involving drivers, bicyclists, and pedestrians.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
