Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Arden/Del Paso SacRT Station Modernization project in fiscal year 2024.

The entity to receive funding for this project is the Sacramento Regional Transit District located at 1400 29th Street, Sacramento, CA 95816. The project is located at 421 Arden Way, Sacramento, CA 95815.

The funding would be used for the modernization of a light-rail station to accommodate new low-floor light rail vehicles. The project is an appropriate use of taxpayer funds because the new low-floor light rail vehicles supported by the station modernization would improve accessibility particularly for those with mobility issues and support the ongoing revitalization of an underserved low-income community.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
