Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Aquifer Storage and Recharge Well #2 project in fiscal year 2023.

The entity to receive funding for this project is the Carmichael Water District and the project is located at 4501 Ladera Way Carmichael, CA 95608.

The funding would be used to construct an aquifer storage and recharge (ASR) groundwater well that would meet current engineering and drinking water standards and will provide a consistent and reliable water supply to the community of Carmichael.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
