April 29, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Gold Line Light Rail Station Conversions project in fiscal year 2023.

The entity to receive funding for this project is Sacramento Regional Transit District and the project is located at the Watt/Manlove Station (Sacramento, CA 95826), Mather Field Station (Rancho Cordova, CA 95827), Sunrise Station (Rancho Cordova, CA 95742) and Historic Folsom Station (Folsom, CA 95630).

The funding would be used to complete phase two construction of 4 light rail station conversions to accommodate new low-floor light rail vehicles and improve accessibility.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".

Ami Bera, M.D.

Member of Congress
