Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the American River Parkway Trail Safety Renovation Project in fiscal year 2024.

The entity to receive funding for this project is Sacramento County located at 700 H St, Sacramento, CA 95814.

The project is located along the American River Parkway Trail from Mile Marker 3 (Northgate) to approximately Mile Marker 7 (Campus Commons).

The funding would be used for repairing and repaving almost four miles of the multi-use trail.

The project is an appropriate use of taxpayer funds because the American River Parkway is both a multi-purpose recreational trail and a commuter route with 8 million user visits per year and the proposed repair area falls within several low-income census tracts, providing a safe recreational opportunity.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ami Bera, M.D.  
Member of Congress
