Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Citrus Heights Intelligent Transportation System Enhancements Project in fiscal year 2024.

The entity to receive funding for this project is City of Citrus Heights located at 6360 Fountain Square Drive, Citrus Heights, CA 95621.

The funding would be used for installing approximately 1.3 miles of a fiber optic communication system and upgrading traffic signal cameras and cabinets and required equipment at 14 signalized intersections. The project is an appropriate use of taxpayer funds because the new network and traffic signal equipment would improve traffic and pedestrian safety on the roadways.

The project is an appropriate use of taxpayer funds because the new network and traffic signal equipment would improve traffic and pedestrian safety on the roadways.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".

Ami Bera, M.D.
