Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Groundwater Well #168 project in fiscal year 2024.

The entity to receive funding for this project is City of Sacramento and the project is located at 310 Bowman Avenue, Sacramento, CA 95833.

The funding would be used for replacement of a groundwater well and the project is an appropriate use of taxpayer funds because this funding would support a resilient, reliable water supply during severe dry and wet water years. It would also help the City maintain drinking water safety standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
