Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Johnston Park renovation project in fiscal year 2024.

The entity to receive funding for this project is City of Sacramento located at 915 I Street Sacramento, CA 95814. The project is located at 231 Eleanor Avenue, Sacramento 95815

The funding would be used for the renovation and rehabilitation of the park's basketball court and baseball fields including improving lighting and removing blight.

The project is an appropriate use of taxpayer funds because it would offer a safer recreational option for community residents in an under resourced community and provide economic and community benefits through sporting and cultural events at the park.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ami Bera, M.D.
Member of Congress
