The Honorable Tom Cole
Chair

U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Arden Service Area Water Metering Project in fiscal year 2025. The entity to receive funding for this project is Sacramento County located at 700 H St, Sacramento, CA 95814.

The funding would be used for the installation of water meters for 3,000 customers in the Arden Service Area. The project is an appropriate use of taxpayer funds because it would provide for accurate monitoring of water usage and support water conservation efforts for an area that relies entirely on groundwater consumption.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
