Dear Chairman Simpson and Ranking Member Pingree:

I am requesting funding for Sacramento County's Arden Way Well project in fiscal year 2026.

The entity to receive the funding for this project is Sacramento County and the project is located at 3824 Arden Way, Sacramento, CA 95864.

The funding would be used to upgrade outdated pumps to improve water pressure reliability, address ongoing deficiencies during high demand periods and assist Sacramento County with firefighting capabilities. The project is an appropriate use of taxpayer funds because the needed upgrades allow for continued water supply to the service area.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
