The Honorable Tom Cole
Chair
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Sacramento Regional Transit Bus Maintenance Facility #2 Hydrogen Fueling Station in fiscal year 2025. The entity to receive funding for this project is Sacramento Regional Transit District located at 1400 29th Street, Sacramento, CA 95816.

The funding would be used for the construction of a permanent hydrogen fueling station infrastructure at McClellan Bus Maintenance Facility (BMF-2). The project is an appropriate use of taxpayer funds because it would support the transition to a zero-emission public transit fleet and help address the air quality issues the region faces from transportation emissions.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".

Ami Bera, M.D.
Member of Congress
